All wage information (except where noted) is Regional Median Hourly and Annual Wage data which was calculated based on 2016 release of the Occupational Employment Statistics (OES) program of the Bureau of Labor Statistics. The OES program produces employment and wage estimates annually for more than 800 occupations for the U.S., individual states, and metropolitan and nonmetropolitan areas; National occupational estimates for specific industries are also available.

Note: Selected occupations for each education/experience category are based on the Star Jobs Methodology. Education categories in this brochure represent the minimum level of education required for entry according to the Bureau of Labor Statistics. Actual market conditions may require additional education and training.

What are Star Jobs?

North Carolina's 5-Star Jobs represent occupations with the greatest projected employment potential through 2024. Occupations were rated from 1-5 stars based on wages, projected growth rates, and projected job openings. For a complete list of Star Jobs and explanation of the rating process, visit www.nccommerce.com/lead/data-tools/star-jobs
