Current Mission of the Committee: The Inclusion Committee will provide information and assist with operational and other issues relating to the provision of services to individuals with disabilities, including issues relating to compliance with section 188, if applicable, and applicable provisions of the Americans with Disabilities Act of 1990 regarding providing programmatic and physical access to the services, programs, and activities of the one-stop delivery system, as well as appropriate training for staff on providing supports for or accommodations to, and finding employment opportunities for individuals with disabilities.

**Once approved by the Rivers East WDB and the Region Q Investment Consortium Board, this will become our new Mission Statement:** *The Inclusion Committee's mission is to develop and nurture our region where everyone can reach their full potential regardless of disability, racial, ethnic, socio-economic, sexual, gender and/or religious diversity. We provide resources that promote equal access and opportunity for all people to achieve a prosperous society, and we advocate for policies that promote diversity and inclusion in the workforce. Our goal is to empower people to remove barriers throughout our region caused by social injustice and inequality. We are committed to the promotion of equality and compassion for all.*
